A war is being fought between the two lines, and this time the conflict has attracted the attention of the Empire. Both sides are using their most powerful soldiers to fight it out, and the conflict is being fought in this day and age. For the Tarnished, that means fighting against the troops of the Empire and against those who know how to use the magic of the underworld, the Elder Dragon, to their advantage. For the Imperials, that means fighting against the Tarnished and against the Tarnished's allies. The battle will be fierce! © 2018 SQUARE ENIX CO., LTD.
